

## IV Drips

**Basic Hydration** 1320.- ex.mva **1650.- inc.mva**  
Stay hydrated and feel refreshed. Sodium Chloride + Bicarbonate + Potassium + Calcium. Choose 500ml or 1L.

**The After Party** 2200.- ex.mva **2750.- inc.mva**  
Restores hydration levels and electrolytes. It helps relieve hangover symptoms, including nausea, pain and headache.

**Detox Mini** 2320.- ex.mva **2900.- inc.mva**  
Boost your immune system and flush out unwanted toxins with the master antioxidant, Glutathione, and a blend of vitamins C, B1, B2, B3 and B6.

**Energy** 2200.- ex.mva **2750.- inc.mva**  
Perfect for those feeling fatigued and overwhelmed. Our energy drip will help you get back on track. Packed with Vitamin B's (B1, B2, B3 & B6) and vitamin C to boost energy.

**Fat Burner** 2320.- ex.mva **2900.- inc. mva**  
Identical to our Energy drip, the Fat burner is also infused with L-carnitine to promote fat burning and accelerate metabolism.

**Detox Master** 2800.- ex.mva. **3500.- inc.mva**  
Kick-start the detoxification process in your body and give your immune system a real boost. Double dose glutathione, plus 7,5 G of vitamin C!

**Relax** 2000.- ex.mva **2500.- inc.mva**  
Replenish your magnesium levels and encourage relaxation. Mood disorders, muscle cramps, stress and anxiety are all linked to low magnesium levels.

### Premium Treatments

**IronMan** 2200.- ex.mva **2750.- inc.mva**

This drip contains iron, a fast and effective way of boosting your iron levels. People with iron deficiency often experience dizziness, hair loss, restless legs, fatigue and dry skin.

**NAC** 2200.- ex.mva **2750.- inc.mva**

N-acetyl cysteine potentially offers several benefits: detoxification, immune support, improved brain health with better cognitive function and mood, and replenishment of glutathione, an important antioxidant that minimizes oxidative stress and promotes cellular health.

**Signature** 5000.- ex.mva **6250.- inc.mva**

B Complex+ Glutathione + 7,5 g vitamin C. Booster shoots; Vitamin D 300,000IU + B12

**Consultation Specialist** 2800.- ex.mva **3500.- inc. mva**

Medical doctor specialist in internal medicine and endocrinology. (hormone-related disorders.)

#### Custom IV drip

You can take a blood test to learn more about your deficiencies so we can create a custom IV drip for you.
