

# Vitality Oslo

## IV Clinic

### IV DRIPS

#### Basic Hydration 1750.-

Stay hydrated and feel refreshed. Sodium Chloride + Bicarbonate + Potassium + Calcium.

#### The After Party 2850.-

Replenishes fluids and electrolytes, easing hangover discomfort.

#### Detox Mini 3000.-

Enhance immunity and detox with Glutathione and vitamins C, B1, B2, B3, and B6.

#### Energy 2750.-

Perfect for combating fatigue and overwhelm. A revitalizing blend of B vitamins (B1, B2, B3, B5, B6, B8, B9, B12), vitamin C, vitamins A, D, and E, plus nicotinamide to restore energy and boost vitality.

#### Detox Master 3750.-

Revitalize your body with a double dose of glutathione and 7.5g of vitamin C! Kick-start your detox and boost your immune system!

#### Relax 2750.-

Replenish your magnesium levels and encourage relaxation. Mood disorders, muscle cramps, stress and anxiety are all linked to low magnesium levels.

#### IronMan 2750.-

**\*A copy of your blood test is needed to confirm low levels.**

This infusion has iron, a quick way to boost iron levels. Low iron can cause dizziness, hair loss, fatigue, and more due to insufficient haemoglobin for carrying oxygen.

### IV DRIP EXTRA \*Only for drips

**Vitamin C 500mg-350.-**

**Vitamin C 750mg-400.-**

**Vitamin C 7,5g-1485.-**

**Gluta 600mg-950.-**

**Extra 500ml- 475.-**

#### Trace
